

a service of DART First State

## WHAT IS RIDESHARING AND HOW CAN DART'S RIDESHARE BENEFIT YOU?

Ridesharing is carpooling, vanpooling, taking the bus, train, biking or walking to work. By ridesharing just 1 or 2 days a week, you'll cut your commute costs, reduce stress, alleviate congestion and help our environment too! DART's RideShare Delaware assists commuters with establishing rideshare arrangements. Our services are free to commuters working or living in Delaware.

### Our free commuter services include:

- Carpool and vanpool matching
- Vanpool start-up assistance
- A guaranteed ride home benefit for ridesharing employees
- Transit information and program guidance
- Commuter Benefit program assistance for employers
- Carpool matching for parents of Delaware school families and more...

DART's RideShare maintains a confidential database of commuters traveling to worksites in Delaware who want to share the ride. After we process your application, you'll receive a list of other commuters who share your travel pattern and schedule. Contact someone on your list and start or join a pool that works best for everyone's schedule. Should you need further support, such as to establish a new vanpool, our staff will assist you every step of the way. If no new matches are available at the time you register, you'll be notified as soon as one is available.

Once you begin your new non-drive alone commute mode, you will be eligible for our Guaranteed Ride Home benefit.

## GUARANTEED RIDE HOME

DART's RideShare recognizes the commitment you're making by ridesharing to work. To support your efforts, we offer the commuter's safety net - our Guaranteed Ride Home benefit. This will ensure you won't be stuck without a ride in the event of an emergency during your work day. This free benefit is available to all ridesharing commuters who have their valid rideshare mode registered with the program.

When you register your non-drive alone commute mode with us, you'll have access to our partner network of transportation service providers who will get you home during your emergency. This benefit is available up to five times per year and full details are provided when you register with the program.

## RIDESHARE APPLICATION

Complete the entire application so we can promptly process your information.

### Agreement

Please note: Completing this form and entering your name and information in DART's RideShare Delaware database is not a commitment to carpool; it is an expression of your interest in exploring the commute options available to you. I agree to abide by the rules of participation as set forth in the Guaranteed Ride Home program guidelines. I hereby release RideShare Delaware from any liability, claims and demands for personal injury, loss, theft, or damage to my personal property, loss of income, consequential damages resulting from delays or absence of service provider, or termination of the program. I also understand that RideShare Delaware has the right to discontinue participant privileges at any time.
