

Sharing the Ride?

Don't get Stranded.

DART's Rideshare Delaware can't prevent life's little emergencies, but we can make sure you have a way to attend to them during your workday. If you share the ride to work in a carpool, by public transit, vanpool or bike, you're eligible for Rideshare's free emergency ride home benefit.

Thousands of Delaware commuters have their rideshare commute covered. Shouldn't you?

Register your rideshare commute today or let DART's Rideshare help you get started in a new rideshare arrangement.
